

§ 3844.1

not owning a mine in connection therewith, may also receive a patent for his mill site, as provided in this section.

(b) Where nonmineral land is needed by the proprietor of a placer claim for mining, milling, processing, beneficiation, or other operations in connection with such claim, and is used or occupied by the proprietor for such purposes, such land may be included in an application for a patent for such claim, and may be patented therewith subject to the same requirements as to survey and notice as are applicable to placers. No location made of such nonmineral land shall exceed five acres and payment for the same shall be made at the rate applicable to placer claims which do not include a vein or lode. (As amended Mar. 18, 1960, Pub. Law 86-390, 74 Stat. 7.)

§ 3850.0-9 Information collection.

(a) The collections of information contained in part 3850 have been approved by the Office of Management and Budget under 44 U.S.C. 3501 *et seq.* and assigned clearance number 1004-0104 and subsequently consolidated with 1004-0114. The information will be used to allow the BLM to process petitions for the deferment of assessment work, determine if the assessment work required by statute (30 U.S.C. 28-28(e)) was indeed performed, and to determine the ownership of a mining claim or site in cases of delinquency of co-owners under 30 U.S.C. 28. A response is required to obtain a benefit in accordance with Section 2324 of the Revised Statutes, as amended (30 U.S.C. 28-28(e)) and 43 CFR part 3850.

(b) Public reporting burden for this information is estimated to average 8 minutes per response, including time for reviewing instructions, searching existing records, gathering and maintaining the data collected, and completing and reviewing the information collected. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden; to the Information Collection Clearance Officer (783), Bureau of Land
